

Northwest Florida Transportation Corridor Authority

Fostering Regional Economic Success Through Transportation Investment

July 17, 2014

I am writing to you on behalf of the Northwest Florida Transportation Corridor Authority (NFTCA). The NFTCA maintains a transportation Master Plan for Northwest Florida pursuant to Part III, Chapter 343 of the Florida Statutes. The NFTCA completed a major update to the Master Plan in 2013 and the NFTCA Board adopted the updated plan at its April 25, 2013 Board meeting. At its April 24, 2014 Board meeting, the NFTCA considered updates to the 2013 Master Plan and determined that none were needed at that time.

We are available to present the Master Plan to interested persons, if requested. The Master Plan is also available for downloading on our website.
